Principal's Desk.....

The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the Higher Educational Institutions. As such IQAC of Duliajan Girls' College has a clear focus on designing and implementing both microscopic and macroscopic quality initiatives towards enhancement of higher education. This newsletter gives a clear evidence of such initiatives. I request the cooperation of all stake-holders associated with the college in this matter. The accelerated pace of activities that IQAC has achieved till date is expected to bear fruit for us in the coming NAAC accreditation.

The IQAC acts as a driving force for working out intervention strategies to remove deficiencies of this college and at the same time set forth some activities to enhance quality of education. Initiatives of IQAC will certainly help the system to work towards realization of these desired goals. I congratulate IQAC, its coordinator and all members for their efforts and hope to see it grow with efficiency and zeal.

Editorial

It gives immense pleasure to bring out the first edition of the newsletter DGC ARCHIVE. Duliajan Girls' College, an elite educational institution, situated in the township of Duliajan has been providing education to women of the nearby areas since 1992. The college has succeeded in its effort in contributing towards women education in this area. Keeping pace with the growing trends of the society, women from this college has been empowered in all fields. DGC Archive will focus on the activities and academic achievements of the students as well as faculty members. The contribution of various cells and committees will be highlighted in the newsletter.

To bring out the best in every student, the teachers have been guiding and supporting them under the leadership of our Principal. DGC Archive has tried to bring out the achievements of each and everyone.

The College has been bringing out newsletters since 2013. ('Milestones' by the English Department and 'Grow Home' by the Home Science Department). But later it was decided that IQAC would bring out the newsletter 'DGC ARCHIVE' where focus would be laid on all activities of the college.

The editorial board is thankful to the Principal, faculty & students for their support in helping to bring out the first, edition of 'DGC ARCHIVE'
